You are expected to dress appropriately for all our community sites. At Wild River State Park we work outside year round (rain, snow, sun). The DNR management staff require student volunteers to wear closed- toe shoes, long pants and long sleeve shirts at all times when we are working at the park. Keep in mind that at Wild River we tend to get really dirty!

Additional required “seasonal” supply items include:

- snow boots
- long underwear/snow pants
- warm gloves
- winter hat (covers ears)
- winter jacket
- rain gear
- sun screen
- bug repellent
